Mrs. Beckley

Mrs. Beckley,
You are one of my teacher
that I have enjoyed
being in here. You helped
me alot in here. I hope
someday when I need
some more help, you
will be available. I
will miss you over the
summer. You have been
a real good teacher.
Just hang on as long
as you can. Well I
guess this is all for
me.

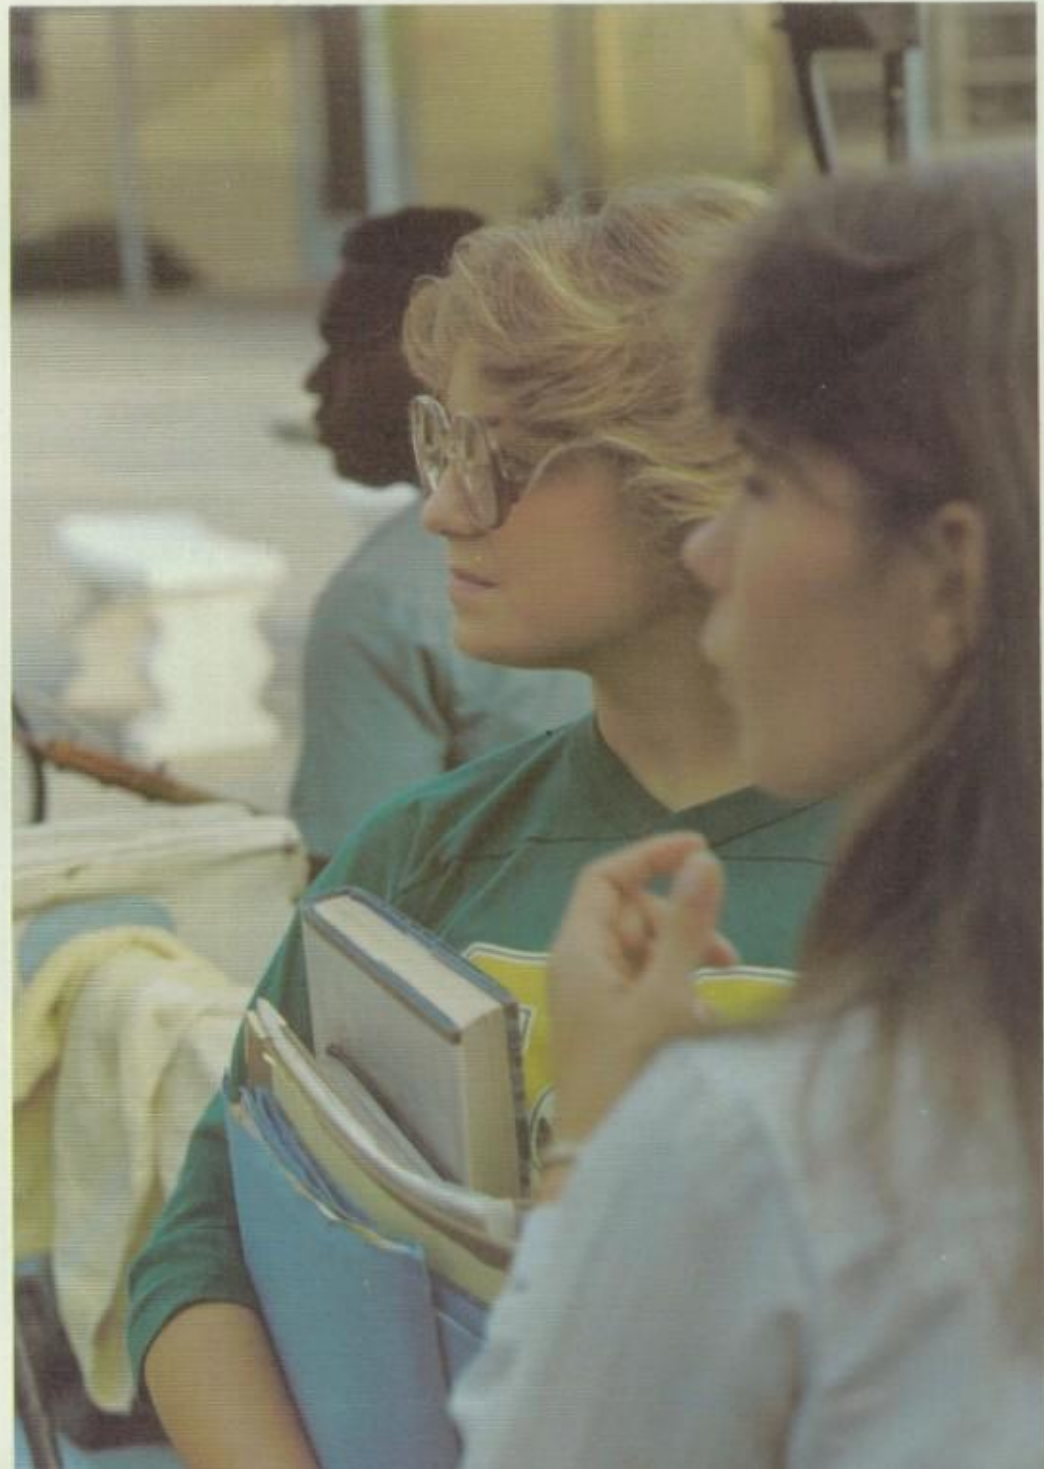

Yours truly,
Macie Cantu

ADVERTISEMENTS

ACHIEVEMENT

*That man is a success
Who has lived well;
Laughed often and loved much;
Who has gained the respect of
Intelligent men and the love of children;
Who has filled his niche
And accomplished his task;
Who leaves the world
Better than he found it,
Whether by improved poppy,
A perfect poem or a rescued soul;
Who never lacked appreciation
Of earth's beauty or failed to express it;
Who looked for the best in others
And gave the best he had.*

SENIORS

AND THE

**Maybe you
belong in
the Guard.**

EARN UP TO \$25,000 WHILE YOU LEARN

Congratulations!

Graduating Seniors of Palmetto High School from your local unit of The Florida Army National Guard. Battery C 1st Bn 116th Field Arty, Palmetto, Florida.

What lies ahead for you?

Soon you'll be getting out of high school. All of a sudden you're going to have new responsibilities. Like holding down a job. And working with people on a day-to-day basis. You'll find you must develop skills and personal qualities to help you get ahead in life. And you may wonder how.

One way is to join the Army National Guard.

In the Army Guard you prove to yourself and others that you're a truly responsible person. Because you'll be doing something extra to help your country and community.

And the great thing about the Guard is you still can enjoy regular civilian life. That's because the Guard is a part-time instead of a full-time military job.

Why not take another big step and join some of your friends, do something different, earn while you're doing it, and still enjoy civilian life and pursuits.

Mrs. Bickely,
It's been a real pleasure knowing
you. The one thing I would love to
say that is you are at the top
of my list of teachers, I really
mean it. I really learn a lot
about certain things I never
knew about. I know sometimes
I didn't pay attention, but ⁱⁿ the
end I really learn a lot.
I really appreciate that you
are going to help me with my
work at MSC. You are a really
sweet, young lady. ^{Re} may
all your class be filled with
kids like the ones in
six period!!!
Love Pam co ST3
